**FOR IMMEDIATE RELEASE**

## Women Entrepreneurs From The U.S. & Bahamas Prepare For International Business Retreat

*Hurricane Irma couldn't stop this group of women entrepreneurs from journeying to Nassau, Bahamas for their first annual professional development retreat.*

**Nassau, Bahamas / Washington, DC** (November 20, 2017): On September 8th, the very day "The Woman Behind The Business Retreat" was supposed to begin - Hurricane Irma plowed through the Caribbean causing the United States based non-profit to postpone the retreat until November 24th. The later date has afforded the group an opportunity to enhance the experience for attendees by adding the **Prime Minister's Wife, Patricia Minnis to deliver the opening address and National R&B Christian Recording Artist: Tasha Page Lockhart to perform during the closing ceremony.**

**When:** Friday, November 24 - 27th

**Where:** Melia Nassau Beach Resort

**Time:** 6:30 P.M.

**Speakers:** Mrs. Patricia Minnis, Wife of The PM of the Bahamas; Natasha Page-Lockhart, Gospel Recording Artist; Dr. Melisa Hall - CEO, Global Empowerment Services (Bahamas); Gloria Goins - Chief Diversity & Inclusion Officer, Bon Secour Health System (U.S.); Elaine Sands, Former Superintendent of Royal Bahamas Police Force (Bahamas), among others.

**What:** This 5-day experience was crafted to address some of the many dilemmas women entrepreneurs face (often times) alone! It is our goal to send participants home feeling reinvigorated and strategically conscious to do business with their newfound international network of ladies.

**Partners:** The University of the Bahamas; The Bahamas Chamber of Commerce, The Bahamas Ministry of Tourism, among others.
